ALLISTON - An important and thriving Village situate on the corners of the townships of Tecumseth, Essa, Tossorontio and Adjala, and in one of the most fertile sections of the county. The Hamilton and North Western, and the South Simcoe Junction Railway will, in all probability, pass through the village. The Nottawasaga river affords excellent water power, and there are several large saw mills in the immediate vicinity. Alliston was first settled by the Fletcher family, about the year 1849. Distance from Angus station, 11 miles; from Gilford, by stage, 18; and from Toronto, 59. Population, about 600. Ferguson's sash factory employs an engine of ten horse power, and averages five hands. Aitken and Knight's foundry employs ten hands, and has an engine of ten horse power.

 FOR THE COUNTY OF SIMCOE

BARRIE - The County Town of Simcoe is beautifully situated near the south-east corner of the Township of Vespra, at the head of Kempenfeldt Bay, with a southern front facing the water, the ground gradually rising to the north part of the town, where it attains a considerable elevation above the level of the lake. It has a fine appearance from the opposite side of the bay, the rising ground bringing every part of the town distinctly into view.

There are several beautiful locations in Barrie suitable for private residences. The bay is about ten miles long, and from one to two miles wide, thickly wooded on the opposite shore, and affording a most picturesque view.

In the year 1854, the Northern Railway was completed from Toronto to Collingwood - the nearest station to Barrie being Allendale, one mile distant. In 1865 a branch track was laid to Barrie, and, in 1871, a further extension was completed to Orillia, and thence to the Muskoka territory.

The town has, within the last few years, made unusual progress; the surrounding country is of an excellent quality, and the mercantile, mechanical, agricultural and general prosperity of Barrie will compare favourably with that of any other town in the Province.

Barrie is comparatively a new town. In the year 1831 a squatter named David Edgar took up his quarters in an old Government store-house situated near the present location of Edward's book store. In the following year John Bingham built the first log-house, having, been induced to settle here by William Mann, then living in a log-house at Kempenfeldt. Among the early settlers were Capt. A.E. Walker, John McWatt, Andrew and Alexander Graham, James Palmer, J. Sanford, Thrift Meldrum, W.B. McVittie, Edmund Lally, W. Boys, Solomon Baillie, Thomas Smith, Richard Carney and T.D. McConkey. Robert Ross laid out the village, which was named in honour of Commodore Barrie. In 1837 the town comprised twenty-eight families. In 1843 the County of Simcoe, until then part of the Home District, was formed, with Barrie as its county town.

It was the original intention of Governor Simcoe to fix upon a point two miles east of the present town as a site for settlement, and the village of Kempenfeldt was surveyed, but the superior advantages of the present location changed the intention. Distant from Toronto 64 miles; Collingwood 31; Orillia 27; Penetanguishene 32 miles. Population 4,000.

MUNICIPALITY, 1872, - Robert Simpson, Mayor; M.H. Spencer, Reeve; Henry Sewrey, Deputy Reeve; Henry Bird, George Maundrell, Wm. Hunter, Martin Johnson, John Seels, George Ball, Joseph Anderson, Andrew Miscampbell, N. Dymont, Councilmen; A.B. McPhee, Clerk; Joseph Rogers, Chief Constable and License; Charles Morris, Town Inspector; D. Browne, Chief Engineer Fire Brigade.

The following are the chief manufacturing establishments:-

BARRIE FOUNDRY - Henry Sewrey, proprietor: established 1867. Steam, 25-horse power; employs 30 hands; machinery, mill work, agricultural implements, etc.

BARRIE TANNERY - Andrew Graham, proprietor: established 1850. Steam, 10-horse power; 6 hands; capacity, 4,000 hides and 1,000 skins annually. Mr. Graham also employs about 20 hands in the manufacture of boots and shoes.

GRAHAM & LOUNT - Woollen, Carding and Fulling Mills. Steam, 15-horse power; 15 hands.

DOUGAL'S FURNITURE FACTORY AND PLANNING MILL.
- David Dougal, proprietor. Steam, 15-horse power; 6 hands.

DURHAM'S SAW, PLANING AND LATHE MILLS. Steam 16-horse power; average, 20 hands; capacity about 16,000 feet lumber every twenty-four hours.

BARRIE STEAM FLOURING MILLS - James Wilkinson, proprietor: established 1867. 80-horse power; 5 run; capacity 4,000 barrels per month.

SIMPSON'S BREWERY. Steam, 18 horse-power; 10 hands. This old establishment has been greatly increased within a year. Its reputation is first-class.

FAIRVIEW BREWERY - Anderton Bros., proprietors: established 1861. Steam, 16 horse-power; 10 hands. The large patronage of this firm is the best guarantee of the quality of their manufacture.

J. PULLEN, Gunsmith, Steam Fitter, etc., uses steam power in his business, and several others in a minor extent.

SUPERIOR ALES

Brewed on the most approved English System

Simpson's celebrated Champagne Ale (originated by himself), has been frequently analyzed, and the best proof of its superior excellence is found in the fact that several physicians through the province recommend it as a wholesome beverage for invalids, and its popularity among our numerous patrons is daily increasing.

Warranted pure, and unsurpassed by any other Ale in the market.

BELL EWART - A village in the Township of Innisfil, situated on Lake Simcoe, and a station of the Northern Railway, 12 miles from Barrie and 54 from Toronto. The village was laid out in 1855. The steamer "Emily May" connects here with the Northern Railway, running to Orillia and meeting with steamers for the Muskoka territory daily. Ferry to Roach's Point several times daily. Beecher & Silliman's saw-mill, located here, is one of the most extensive in the Province, having a manufacturing capacity of about fifteen millions feet per annum, and employing ninety men, besides about five hundred lumberers in the woodlands. The village contains Roman Catholic, Baptist and Methodist churches. Population about 600.

BLACK BANK - A Post Office in the township of Mulmur, 30 miles from Barrie.

NEWELL, JOHN, P.M.

BRACEBRIDGE - A thriving village on the Muskoka River, in the township of Macaulay, Muskoka District, county of Victoria, in the immediate vicinity of the Free Grant Territory. The first settlement of the village dates only a few years ago, but the evidence of its prosperity and rapid growth are every where conspicuous. The water-power is first-class, and is utilized by grist, saw, planing, and woollen and carding mills. Other manufacturing establishments are also contemplated. The Northern Advocate and Free Grant Gazette, ably conducted journals, are published here. There are English, Presbyterian and Wesleyan and Primitive Methodist Churches in the village.

The scenery in the neighbourhood of Bracebridge is remarkable for its romantic beauty, hill, dale, lake, river, cataract, forest and farm are blended in picturesque variety, and tourists from all parts of the continent are recognizing the claims of the Muskoka Territory as a favorite resort for its healthiness, beauty and excellent sporting facilities.

Bracebridge connects with Gravehurst by steamers and Stages to Washago, thence by boat to Orillia and the Northern Railway. Also with the Midland Railway at Beaverton, and with stages at Rosseau for Parry Sound and the Nipissing and Maganatawan Territories.

Distant from Gravenhurst 16 miles; Port Carling, 20; Rosseau, 33; and the head of Lake Joseph 42 miles.

BRACEBRIDGE, ONT.

BRADFORD - An incorporated village and station of the Northern Railway, in the Township of West Gwillimbury. The west branch of the Holland River runs through the village. This place was almost entirely destroyed by fire on the 23rd May, 1871- upwards of one hundred houses, including all the business part of the village, except two hotels, being consumed. The burnt district is, however, already rebuilt principally of brick.

Bradford was first settled about the year 1829. Thomas Driffill, Robert Armstrong, James Campbell, Wm. Milloy and --- Sherwood were the earliest settlers. The post-office was established in 1835. J. Peacock, first postmaster. Population 2,000.

The following are the chief manufacturing establishments:

ABBOTT Bros., steam tannery: 10 horse-power; staple leather capacity fifty hides a day.

BRADFORD TANNERY - Ed. W. Bingham -capacity thirty hides a day.

T. SMITH & SON, saw-mills; 250 horse-power; 150 men; capacity 150,000 feet per day.

BRADFORD FOUNDRY - L. Butterfield, proprietor, - agricultural implements and general founders' work.

TONTINE FLOUR MILLS - M. B. Cockerline, proprietor - steam, 40 horse-power; capacity 75 barrels a day.

BRADFORD MARBLE WORKS - J. & A. Borrowman.

Fistant from Toronto 41 miles; Barrie 23; Bell Ewart 12; Collingwood 52 miles. Population about 2,000.

COLLINGWOOD - Situate on the Georgian Bay, is the Northern terminus of the Northern Railway. It was founded in 1853, and was incorporated as a town in 1858. The harbour is capacious, unsurpassed by any other on the lakes, and is beautifully diversified with islands. A large trade is carried on with the Western States, and immense quantities of lumber are annually transported by rail. There are several manufacturing establishments here, and the local trade is rapidly increasing.

Steamers leave here for Duluth, Fort William, Sault Ste. Marie, Parry Sound, Byng Inlet, Owen Sound and other parts.

As an evidence of the prosperity of Collingwood may be noted the increase of its population from 1,500 in 1866, to 3,500 in 1872.

Distant from Toronto 95 miles; from Barrie, 33 miles.

MIDLAND - A village on the shore of Mundy's Bay, on lots 106 and 108, 1st and 2nd concessions township of Tay, 15 miles from Coldwater and 4 from Penetanguishene. This place is the proposed terminus of the Midland Railway. The first settlement of the village only dates back to November, 1871. In September, 1872, the Post Office was opened and Mr. Gladstone appointed Postmaster. The site is remarkably beautiful, the scenery varied, and there is a good prospect of Midland becoming an important place. Several stores and dwellings are already erected and great expectations are indulged in which we hope to see fully realized.

ORILLIA - A large and important village situate on Lake Couchiching, in the township of Orillia, in a section of country celebrated for its varied and lovely scenery, and excellent sporting and fishing grounds.

There is a fragment of early history connected with the site of Orillia which may prove interesting. In the year 1615, the celebrated Champlain, "the first pioneer," explored the Upper Ottawa passing up the Mattawan River to Lake Nipissing and thence by the French River to Lake Manitou or the Georgian Bay and Lake Huron where the exploration of the adjacent country was continued. At length he reached Cahiague, the present Orillia, one of the chief lodges of the powerful and warlike Hurons. Champlain joined this tribe in an expedition against the Iroquois in which the Hurons were signally defeated, and Champlain himself wounded. This inaugurated the dreadful war between those tribes which after several years of almost uninterrupted hostility, resulted in the annihilation of the Hurons, as a separate tribe; a few of their descendants now occupy the village of Lorette in the Province of Quebec.

In the year 1831, the British Government made a treaty with the Ojibways for a village site and at once built a Council Room, an Episcopal church, a schoolhouse, sixteen log houses, and a much larger and more substantial one of the same material for the chief's private residence. The chief William Yellowhead died about seven years ago and is buried in the English churchyard. The old house is now, after great improvements, used as the Episcopal parsonage.

In 1838, the whites petitioned for a landing, which was granted, and the Indians were removed to Rama in Ontario county, where, a church, schoolhouse and dwellings were provided for them and the entire possession of Orillia was secured to the whites.

In 1832, the first white settlers arrived. Gerald Alley, Esq. being the first. In 1836 only six white families resided in the village, viz: Robert Bailey, Michael Bowers, Jacob Gill, Andrew Moffatt, Neil Morrison and John Rowe. Robert Bailey, Andrew Moffatt, Michael Bowers, John Harvie and John O'Connor are the oldest settlers living here now (1872). In the year 1835 the Post office was established; Gerald Alley, first Post master, previous to this time, Thomas McCausland carried the mails to Barrie, a distance of 28 miles. Within the past few years Orillia has rapidly increased in extent, wealth and population, and its prospects for the future are even more favorable. Manufacturing establishments are springing up and few, if any, towns in Ontario possess better facilities for this branch of industry. The Northern Muskoka Junction and Midland railways centre here. Steamers ply to all ports on Lake Simcoe, the

extensive Muskoka Free Grant territory is in the neighborhood, the local trade extensive, the population enterprising, and the future prosperity of Orillia is a certainty, and, that is advent as a TOWN, perhaps, a COUNTY TOWN is not very remote, is equally sure.

Stage communication by Harvie & Midland's line to Bracebridge Rosseau, Parry Sound and intermediate places, and in winter through to Parry Sound. Railway connexion with all parts of the country will be opened in the course of the next year.

Orillia is distant from Barrie 27 miles, Bell Ewart 50, Washago 12, Gravehurst via Washago by stage 14, Coldwater 14, Midland 19 and Toronto 20. Population 2000.

PENETANGUISHENE - A village situate on the bay of the same name, in the Townships of Tiny and Tay, 34 miles from Barrie and 98 from Toronto. This village has long been a place of note; a fort was established here during the last war with the United States and kept up until a few years ago, when the garrison was withdrawn. The chief trade is in furs and fish, and provisions for the mining districts on the north shore of Lake Huron. The village contains English, Roman Catholic and Methodist churches.

In the year 1859, the Reformatory was established about three miles from the village. The present building is of four stories, have a front of 404 feet and the height is 88 feet. Every necessary accommodation is provided, and health, cleanliness and industry are the rule; the moral physical, religious and educational training of the boys is most carefully attended to, and the kind and firm discipline maintained by the superintendent, Mr. William Moore Kelly, places this institution in the enviable rank of a model for similar establishments.

Steamers connect with Collingwood and stages with Barrie. There is excellent water-power in the neighborhood. Population about 600.

STAYNER - An incorporated village and Station of the Northern
Railway, in the Township of Nottawasaga, 23 miles from Barrie,
9 from Collingwood and 86 from Toronto. It was first settled
about the year 1854, by Donald Bain, George Bell, Gideon Phillips,
Thomas Cundle and Andrew Coleman, and was incorporated June 5th
1872. The village plot contains 500 acres. A. M. Ingersoll was the
first returning officer.

Stayner is rapidly increasing in importance. The population which
in 1866 numbered 400, is now (1872) increased to nearly 1200. There
are excellent facilities for manufacturing purposes. The surrounding
country is very fertile, and the local trade first-class.

The village contains English, Presbyterian, Roman Catholic,
Wesleyan and Baptist churches.

The following are the chief manufacturing establishments:-

George Randolph, sawmill, steam, 50 h.p., 60 hands, capacity
about six millions feet per annum.

R. B. Hannah, tanner, established 13 years, steam, 16 h.p.

LUMBER

The County of Simcoe has long been celebrated for its extensive lumbering establishments. We have not been

able to obtain full statistics but may mention the following companies, having agencies in Barrie, Collingwood and Orillia : - J.C. Hughson & Co., Mushkosh Mills at the mouth of the Muskoka River, Georgian Bay, employing on the average, 125 men, and manufacturing about fifteen millions feet of pine and sawn lumber exclusive of large quantities of shingles and laths.

The Georgian Bay Lumber Co., 35,000,000 per annum; the Magnetawan Co., 25,000,000; the Parry Sound Co., 10,000,000. A.G.P. Dodge is President of these Companies.

Thompson, Smith & Son, Cook Bros., Brazel, Perkins & Co., D.C. Kanady & Co., Fowlie & Co., of Victoria Harbor, and many other firms are also extensively engaged in this business.
